- City tour.

## **OBSERVATIONS**

1. The NEC observed the current trend of brain drain involving Medical Doctors to overseas in search of greener pasture that is detrimental to reversing the little gain in healthcare delivery system.
2. The NEC noted the little participation of her members in National and local politics throughout the country.
3. The NEC noted the impact of economic recession to health of Nigerians.
4. The NEC observed the efforts of the Governors of Katsina, Yobe, Kano and Lagos States to promoting the healthcare delivery system of their States.
